Nicolle Grasse asked, with the recent explosion of COVID-19 in our state and village, Governor Pritzker encouraged us to ask our Mayor to let us know what he is doing to enforce the doctor recommended mitigations to keep us safe.

President Hayes said there are opinions that we are not doing enough or are doing too much. He has worked to find the right balance between health, safety and economic viability for the Village's businesses. The Village continues to monitor and thoughtfully respond but does not want to unduly burden residents. President Hayes urged compliance with Pritzker's orders. He is also dialoguing with other municipal leaders to make sure the Governor's orders are based on the best science and data.

The Village is advising residents to be smart in planning family gatherings.

Mr. Recklaus said the Village is monitoring compliance with the Governor's mandates or orders. If we get a complaint, we send staff to verify a violation exists. If there is an issue, the property ownership is advised and the business is reported to IDPH who has the legal authority to enforce the Governor's orders.

Melissa Cayer asked for the Village to put the Village of Arlington Heights' website address on the Property Tax Bill when you ask them to put a dollar amount on the property tax bill.

Mr. Recklaus said the tax bill comes from the County, there are several taxing agencies on the bill. The County controls the content.
