Re: Objection to Re-Zoning/Shelter Permit- 207-209 East Valley Lane, Arlington Hts, IL

To whom it may concern:

I Benito Garrido am the property owner of 206 E Knob Hill Drive, a home within 250 ft of property of interest, 207-209 E Valley Lane. I am strongly opposed to the issuance of variance to Chapter 28 of the municipal code or the rezoning of the duplex for the purposes of shelter use.

I have safety concerns given the factual number of police increased activities at other Shelter Inc home sites. Police records show increased calls and responses to assaults, thefts, domestic battery and alcohol/drug offenses. This will have a direct impact on our neighborhood safety, children and property value.

I strongly suggest Shelter, Inc accomplish there re-allocation goals in a more urbanized setting.

Sincerely

I, JOSEPH MCGUIRE, LIVING WITHIN 250 feet of THE PROPERTY AT 207-209 E. VALLEY LANE, OPPOSE THE ISSUANCE OF A VARIANCE TO CHAPTER 28 OF THE MUNICIPAL CODE. THIS LETTER WILL SERVE AS MY FORMAL RESPONSE AS REQUIRED BY SECTION 14.6 OF THE MUNICIPAL CODE AS IS STATED IN SECTION 14.6 AS A PROTEST AGAINST THE AMENDMENT.

I HAVE LIVED IN THIS NEIGHBORHOOD SINCE 2014. IT IS A WONDERFUL NEIGHBORHOOD OF SINGLE FAMILY HOMES FILLED WITH RESPECTFUL, LAW ABIDING PEOPLE WHO GIVE EACH OTHER A GREAT SENSE OF SAFETY, SECURITY AND WELL BEING. THE ISSUANCE OF A VARIANCE, IN REGARD TO THIS MATTER, IS A CLEAR AND DIRECT THREAT TO THE SAFETY AND SECURITY TO THE PROPERTY AND THE PEOPLE OF THIS COMMUNITY. THIS IS EVIDENT THROUGH THE HIGH NUMBERS OF POLICE CALLS THAT ARE GENERATED BY SHELTER INC., ZONING VARIANCE PETITIONER, WHO WILL OPERATE THIS TRANSITIONAL SHELTER. RESIDENTS AT THE CURRENT SHELTER INC LOCATION, BEHAVIOR RANGE FROM CRIMES AGAINST PERSONS AND CRIMES AGAINST PROPERTY. THIS BEHAVIOR WILL MIGRATE OUT FROM THE SHELTER TO THE MEN, WOMEN AND CHILDREN OF THIS COMMUNITY AND NEIGHBORHOOD. THIS WILL ALSO CAUSE A DECLINE IN PROPERTY VALUES TO PROPERTY OWNERS. THANK YOU FOR YOUR ATTENTION.

I, Tana Polonsky, living within 250 feet of the property at 207-209 E Valley Lane, **OPPOSE** the issuance of a variance to Chapter 28 of the municipal code. This letter will serve as my formal response as required by section 14.6 of the Municipal Code as required noted below.

#### 14.6 Protests against an Amendment:

Owners of the frontage of property immediately adjoining or across or directly opposite frontage which is proposed to be altered as to regulations or districts may file a written protest against a proposed amendment. **The protest must be signed by the owners of at least 20% of the frontage as described above and each signature must be notarized. The written protest shall be filled with the Village Clerk.**

**If the written protest meets the requirements of this Section, the amendment shall not be passed except by the favorable vote of two-thirds of all members of the Village Board.**

I have lived in this neighborhood for 1 years. It has been a great, safe, single family home community. I have a variety of concerns about the issuance of this variance.

Mainly, I am concerned with my safety due to the excessive number of police calls Shelter Inc. generates in a year's time and the behavior of the population living at the residence. Police records indicate calls for battery, domestic battery, assaults, thefts, motor vehicle theft, disorderly conduct, alcohol and drug offenses, and criminal damage/trespass to property all occurred at the current Shelter Inc. location.

I am concerned that my property value will decrease with the existence of a community transitional shelter in my neighborhood.

I am concerned for the welfare of the children that attend Ivy Hill Elementary that use Valley lane to walk to and from school.

I am concerned with the impact of the increased congestion of traffic activity only 80 ft. from Arlington Heights Road on an already blind right hand turn.

The previous noted concerns are a few of those that I have creating the basis for my objection.

Sincerely,

RE: Objection to Special Use Permit

I John J. Szczerski, living within 250 feet of the property at 207-209 E. Valley Lane,  
oppose the issuance of a variance to Chapter 28 of the municipal code.

I moved to this community because it was safe, secure and had good schools.

I have lived in Ivy Hill Subdivision for 40 years because it's a great residential neighborhood.

My current concern is my safety and the safety of my community. The number of  
Police calls Shelter Inc. generates is alarming. Police records indicate calls for assault,  
battery, thefts, disorderly conduct, drug offenses and criminal damage/trespass to  
property is very substantial. When making your decision I hope you keep safety in  
mind and maintain the community as a residential neighborhood.

Thank you for taking the time to read this letter.

#### 14.6 Protest Against Amendment:

Owners of the frontage of property immediately adjoining or across or directly opposite frontage which is proposed to be altered as to regulations or districts may file a written protest against a proposed amendment. The protest must be signed by the owners of at least 20% of the frontage as described above and each signature must be notarized. The written protest shall be filed with the Village Clerk.

If the written protest meets the requirements of this Section, the amendment shall not be passed except by the favorable vote of two-thirds of all members of the Village Board.

I have lived in this neighborhood for 27 years. It has been a great, safe, single family home community. I have a variety of concerns about the issuance of this variance. Mainly, I am concerned with my safety due to the excessive number of police calls Shelter Inc generates in a year's time and the behavior of the population living and/or going to live at the residence. Police records indicate calls for battery, domestic battery, assaults, thefts, motor vehicle theft, disorderly conduct, alcohol and drug offenses, and criminal damage/trespass to property all occurred at the current Shelter Inc location.

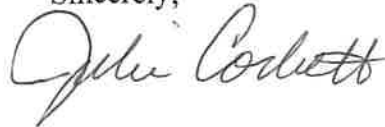

I am concerned that the property value will decrease with the existence of a community transitional shelter in my neighborhood.

I am concerned for the welfare of my granddaughter who resides with me and the other children that live in proximity to 207-209 E. Valley Ln. I am also concerned for the welfare of the children that attend Ivy Hill Elementary that use Valley Lane to walk to and from school.

I am concerned with the impact of the increased congestion of traffic activity only 80 ft from Arlington Heights Road on an already blind right-hand turn.

The previous noted concerns are a few of those that I have creating the basis for my objection.

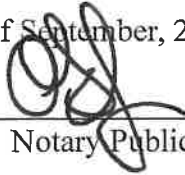

Sincerely,

Julie Corbett

I have lived in this neighborhood (at 306 E. Valley Lane), for 16 years. It has been a great, safe, single family home community. I have a variety of concerns about the issuance of this variance.

Mainly, I am concerned with my safety due to the excessive number of police calls Shelter Inc generates in a year's time and the behavior of the population living at the residence. Police records indicate calls for battery, domestic battery, assaults, thefts, motor vehicle theft, disorderly conduct, alcohol and drug offenses, and criminal damage/trespass to property all occurred at the current Shelter Inc location.

I am concerned that my property value will decrease with the existence of a community transitional shelter in my neighborhood (about 12%, we already have in this neighborhood 400 apartments subsidies for low-income families) which will affect your revenue thru the property tax brackets and the city will lose the tax revenue for the 2 properties at 207-209 E. Valley Lane also.

I am concerned for the welfare of my children that attend Ivy Hill Elementary that use Valley Lane to walk to and from school.

I am concerned with the impact of the increased congestion of traffic activity only 80 ft from Arlington Heights Road on an already blind right-hand turn (my cars being hit in front of my driveway, twice).

My Family and I, have lived in this neighborhood for 27 years. It has been a great, safe, single family home community. I have a variety of concerns about the issuance of this variance.

I am concerned, of my safety due to the excessive number of police calls Shelter Inc generates in a year's time and the behaviour of the population living at the residence. Police records indicate calls for battery, domestic battery, assaults, thefts, motor vehicle theft, disorderly conduct, alcohol and drug offenses, and criminal damage/trespass to property that all occurred at the current Shelter Inc. location.

I am concerned, with the proposed additional six residents ( total 10 to 12 ) which potentially double 911 service calls to police (AHPD) and Fire Department (AHFD). In turn will increase the expanse to the taxpayer/voter, therefore to the village.

I am concerned, that my property value will decrease with the existence of a community transitional group home in my neighbourhood.

I am concerned, for the welfare of the children and that attend Ivy Hill Elementary which is only a quarter mile from 207-209 that use Valley Lane to walk to and from school.

The previous noted concerns are a few of those that prompted me to protest the Special Use Permit.

Re: Objection to Special Use Permit to allow Shelter, Inc. at 207-209 East Valley Lane  
Arlington Heights, Illinois

To Whom It May Concern:

I Mary Alice Follett, living within 250 feet of the property at 207-209 E. Valley Lane, oppose the issuance of variance to Chapter 28 of the municipal code. This letter will serve as my formal response as required by section 14.6 of the Municipal Code as required.

As a resident of Arlington Heights for many years and I am strongly opposing the issuance of this variance to Shelter, Inc.

My opposition is not based on the Shelter's benefit to society or a judgement on the people that are employed at or residents of the Shelter.

My opposition is based on the following facts:

1. The safety of my family and home will be in jeopardy along with the peacefulness of my home based on the excessive number of police activities at the current Shelter location in Arlington Heights.. Police records state that the police force is responding to law breaking criminal calls for battery, domestic battery, assaults, thefts, motor vehicle theft, disorderly conduct, alcohol and drug offenses and criminal damage/trepass to property. Any police action at the proposed location will cause disruption to the area (sirens, flashing lights, noise, fear about what is occurring) and disturbs the peace in my family's life and all surrounding neighbors.
2. I am concerned for the welfare of all the children that attend Ivy hill school that use Valley Lane as the route to school and the children who wait for buses, for various other schools, to pick them up along Valley Lane. Also many residents use Valley and surrounding streets for walks. They should not have to be afraid of what may happen to them in their own neighborhood.
3. Property values will go down. Reports by Realtor.com states our property value will go down by 12%. If our property values go down will our property taxes in turn go down 12%? How much revenue will be lost to Arlington Heights if a non-profit goes into this home?
4. There will be more congestion because of possible parked cars or police cars at an already dangerous turn from Arlington Heights Road onto Valley as well as from Valley on to Arlington Heights Road. What does that scenerio look like for a pedestrian crossing a street in that area? Many of us cross there to shop in area stores.
5. I am very disturbed by the falsehoods that are being said by employees of Shelter:

1. Calling residents kids or adolescents when Shelter, Inc., on their own website, state it is for 18-21 year olds. Go to <https://shelter-inc.org/transitional-living-program-2/> and watch the video. The facts I am writing are in that video. We all know a person at the age of 18 is by law an adult.

2. These men are still in DCFS custody and maybe on probation, or in AA or a drug addiction program. They are still in custody for a reason or are on probation for a reason.

3. Shelter, Inc. only requires their employees who supervise these homes to have a high school diploma per their August newsletter. This is far from the skilled care they claim to be giving the residents. In the Shelter, Inc. letter we received it states "Ensures credentialed, on-site staff enforces accountability and behavioral requirements."

All of the Shelter, Inc. programs, goals and activities can be accomplished in a more appropriate location where it would not alter the lives of the people living in the area.

Sincerely,

Mary Alice Follett

**Re: OBJECTION to Special Use Permit to allow a shelter care home at 207-209 E Valley Lane, Arlington Heights 60004**

To whom it may concern:

I, Tim McRaith, living within 250 feet of the property at 207-209 E Valley Lane, OPPOSE the issuance of a variance to Chapter 28 of the municipal code. This letter will serve as my formal response as required by section 14.6 of the Municipal Code as required noted below.

**14.6 Protest Against Amendment:**

Owners of the frontage of property immediately adjoining or across or directly opposite frontage which is proposed to be altered as to regulations or districts may file a written protest against a proposed amendment.

My wife, Pam, and I have lived in this neighborhood for 22 years (since October of 1999) with our children. It has been a great, safe, single family home community. I have a variety of concerns about the issuance of this variance.

Mainly, I am concerned with my safety due to the excessive number of police calls Shelter Inc generates in a year's time and the behavior of the occupants living at the residence. Over the years they have had an average of 53 calls to the police, which is 53 more times than we want in our neighborhood. Police records indicate calls for battery, domestic battery, assaults, thefts, motor vehicle theft, disorderly conduct, alcohol and drug offenses, and criminal damage/trespass to property all occurred at the current Shelter Inc location.

I am concerned that my property value will decrease with the existence of a community transitional shelter in my neighborhood. We have seen articles that say the property values decrease by 7% on average near shelters.

Ivy Hill Elementary School is just blocks away from this building. Young children will be walking home from school. Parents should not have to worry about their children being in danger. Having 12 young men between the ages of 17-21 with questionable pasts is not something we want our children subject to. One incident is too many.

The bus stops are in the neighborhood for Ivy Hill Elementary School, Thomas Middle School, and Buffalo Grove High School. Kids will be walking to those bus stops without parents. We are very concerned about their safety.

I am also concerned with the impact of the increased congestion of traffic activity only 80 ft from Arlington Heights Road on an already blind right-hand turn. There have been accidents at that intersection and with 14 additional people (12 young men and 2 administrators) coming and going just 80 feet from the intersection that will pose even more congestion and traffic.

The previous noted concerns are a few of those that I have creating the basis for my objection.

Sincerely,

## Petition Against Variation to Rezone

207-209 E. Valley Lane AH., IL 60004

We are petitioning to express our strong opposition to rezoning. A petitioner by the name of Carina H. Santa Maria MSW., of Shelter, Inc, is prospecting to purchase and turn the duplex property for sale at 207-209 E. Valley Lane in Arlington Heights into a shelter home. As neighbors we are concerned with the safety of our children and our community. "Shelter Inc. would like to use this building for its Transitional Program (TLP) which provides a home for youths assigned male at birth under guardianship of DCFS, and are between the ages of 17 to 21 transitioning into society. These youths would spend a total of 2 years in this program". The total number of youths residing at the property would be 10-12 as well as counselors. These youths may have various issues that may include psychological, behavioral &/or possible criminal involvement. The shelter organization is requesting zoning changes and a special permit in the Ivy Hill area to allow for the Shelter Inc., home and parking. "The Transitional Living Program operated by Shelter, Inc., is currently located at 397 W. Golf Road in Arlington Heights and has been there since 2012. Over the past several years the Police department has, on average, received well over 100 calls for service per year (confirmed by the AHPD) from the current Golf Road location." This is 2 calls to the police department per week.

Ivy Hill is a quiet, residential family- based neighborhood with children of all ages. A few yards from the property there is a school bus stop that pick and drops off students to and from Thomas Middle School and Buffalo Grove High School. Ivy Hill Elementary School, which serves 640 students from the community, is also located less than a half mile from the property. A large population of the students walk to and from school daily through the neighborhood utilizing Valley Lane. Many of these students live in the Circle Hill Apartment complex which resides between the school and the property.

If the zoning change is approved, the traffic will be negatively and dangerously impacted if the requested 10 parking slots are granted. Yes, 2 cars can park in the garage and 2 safely in the driveway. It also isn't clear how much daily traffic the property will generate with visitation, etc. With the location of this property just 80 feet east of Arlington Heights Road, any parking along the street in front of this property will create an unsafe traffic situation. Turning right onto Valley Lane from Arlington Heights Road is a blind turn and if there is parking with even 150 feet from the entry on Valley, drivers won't have time to react. There could be oncoming traffic that would create a narrower lane with parked cars, and if there are multiple vehicles turning onto Valley, there could be an immediate unexpected backup onto Arlington Heights Road as the first turning driver reacts to parked cars upon turning. The Conceptual Plan Committee document dated 5/26/2021 notes Valley Lane as a collector street. It should be noted that it is the main artery of access for the Circle

Hill Apartment complex housing 140 units within about one half of a mile from this property as well as all the houses along Valley, East Knob Hill Drive, etc.

If this zoning change is approved, Shelter, Inc, will be detrimental to our Ivy Hill community. The requested Special Use Permit requires that the zoning change **cannot** "alter the essential character of the locality" **nor** "be detrimental to the health, safety, moral or general welfare of persons residing in the vicinity". Allowing this zoning change will impact the character of the neighborhood by introducing a public transient function that has residents with questionable past behavior that dictated their need to have a transition back into society. This current Shelter creates more police response incidents in a year than the contiguous neighborhood does in multiple years. This Shelter will also create an unsafe environment with vehicle and pedestrian traffic within 80 feet of a 4-lane road that yields a blind right hand turn onto the street.

The values that the Ivy Hill community has established and maintained since the 1960s are at risk with this rezoning proposal. Ivy Hill has been a real estate and schooling beacon for people moving into Arlington Heights for decades. Anyone interested in moving in will think twice and maybe reject the idea if a transient shelter for at risk youth exists on their block. Arlington Heights will lose the tax revenue of home sales and no longer be the sought-after destination for families that it has been.

The residents below have agreed with the petition content above and have provided their signature to confirm that agreement.
