Re: Request for Waiver of Fees – Memorial bench at Lake Arlington

Mr. Recklaus:

The Arlington Heights Park District will be entering the construction phase for a memorial bench and artist exhibit at Lake Arlington (2201 N Windsor). The project is anticipated to begin in November 2021 if weather allows and will include the excavation, and concrete work, backfill and bench installation, which may extend into Spring of 2022 if conditions are not cooperative.

Following prior practice, the Arlington Heights Park District respectfully requests the waiver of all applicable Village of Arlington Heights Planning and Building Permit fees and/or all applicable Village review fees. The Park Board of Commissioners and staff appreciate your assistance on this matter.

If you need any additional information, please feel free to contact me at (847) 506-7145. Thank you again for the continued cooperation and support from the Village of Arlington Heights.

Sincerely,

Benjamin M. Rea, CPRE
Director of Parks and Planning
