

**TEMPORARY CONSTRUCTION EASEMENT AND PERPETUAL ACCESS  
AND MAINTENANCE EASEMENT AGREEMENT**

THIS TEMPORARY CONSTRUCTION EASEMENT AND PERPETUAL ACCESS AND MAINTENANCE EASEMENT AGREEMENT ("Agreement") is made and entered into as of this 7th day of February, 2022 ("Effective Date") by and between the Village of Arlington Heights, an Illinois municipal corporation ("Village"), and the Arlington Heights Park District, an Illinois park district and unit of local government ("Park District"). Village and Park District are hereinafter sometimes referred to individually as a "Party," and collectively as the "Parties."

**RECITALS**

WHEREAS, the Village owns, operates, and maintains a storm sewer collection system, including certain ancillary facilities and improvements, throughout its corporate boundaries; and

WHEREAS, the Village has undertaken the Berkley Hintz storm water improvement project that includes the construction of stormwater storage and installation of large storm sewer pipes; and

WHEREAS, the Village requires land for stormwater detention as part of the storm water improvements contemplated by the Berkley Hintz stormwater improvement project; and

WHEREAS, the Park District is the owner of certain property commonly referred to as Raven Park, located at 2913 N Mitchell Avenue, Arlington Heights, Illinois ("Park Property"); and

WHEREAS, the Park District is willing to allow the Village to use a portion of Raven Park for stormwater detention; and

WHEREAS, following a series of extensive negotiations, the Parties subsequently entered into an agreement entitled "Intergovernmental Agreement Between Village of Arlington Heights and Arlington Heights Park District for the Construction, Operation and Maintenance of a Stormwater Detention Basin in Raven Park, Arlington Heights, Illinois" ("IGA") for the purpose of installing and maintaining certain agreed upon stormwater improvements in portions of the Park Property ("Planned Improvements"), and setting forth the respective rights and obligations of the Parties with respect to same; and

WHEREAS, the IGA obligates the Park District to grant the Village a temporary construction and permanent access and maintenance easement in order to facilitate the construction, operation and maintenance of the Planned Improvements; and

WHEREAS, the Park District has determined that it is in the public interest and in the interest of intergovernmental cooperation to grant such an easement to the Village, subject to the terms and conditions of this Agreement; and

WHEREAS, the Park District has the authority to grant such an easement pursuant to Articles 8-1 and 8-11 of the Park District Code of the State of Illinois (70 ILCS 1205/8-1 and 8-11); and

WHEREAS, the Parties desire to formally establish their respective rights and obligations regarding the construction, use, maintenance, and repair of the Planned Improvements.

NOW, THEREFORE, in consideration of the mutual promises hereinafter set forth, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Recitals Incorporated. The foregoing recitals are incorporated herein by reference and made a part hereof as though fully set forth in this paragraph 1, the same constituting the factual basis for this Agreement.

2. Grant of Temporary Construction Easement. Subject to the terms and conditions of this Agreement, Park District hereby grants to Village, and any of Village's agents, representatives, employees, contractors, subcontractors, material suppliers, successors or assigns, a temporary construction easement under, over, on and across those portions of the Park Property legally described in Exhibit A and depicted in Exhibit B, both of which are attached hereto and incorporated herein by reference ("Temporary Construction Easement Premises"), for the purpose of constructing the Planned Improvements ("Temporary Construction Easement").

3. Term of Temporary Construction Easement. The Temporary Construction Easement granted pursuant to paragraph 2 of this Agreement shall begin on the Effective Date of this Agreement and shall expire thirty (30) days after final completion of the Planned Improvements.

4. Grant of Non-exclusive Perpetual Access and Maintenance Easement. Subject to the terms and conditions of this Agreement, Park District hereby grants to Village, and any of Village's agents, representatives, employees, contractors, subcontractors, material suppliers, successors or assigns, a non-exclusive perpetual access and maintenance easement over and across those portions of the Park Property legally described in Exhibit A and depicted in Exhibit B ("Access and Maintenance Easement Premises" and, together with the Temporary Construction Easement Premises collectively referred to as the "Easement Premises") for access, ingress, and egress for vehicles and pedestrians solely for the maintenance and repair of the Planned Improvements (the "Access and Maintenance Easement"); provided, however, that major maintenance, including any construction or reconstructions, shall require, prior to such work, the prior express written consent of Park District.

5. Term of the Perpetual Access and Maintenance Easement. The Access and Maintenance Easement granted pursuant to paragraph 4 of this Agreement shall begin following final completion of the Planned Improvements and shall be perpetual in nature. Notwithstanding the above, the Parties hereto, or their successors or assigns, may mutually agree in writing to terminate the Access and Maintenance Easement at any time.

6. Scope of Work. The construction of the Planned Improvements shall be performed in accordance with the plans, specifications, drawings, and other related documents prepared by Crawford, Murphy & Tilly (“CMT”) and attached hereto as Exhibit C and incorporated herein by reference, subject to any changes or modifications agreed to in writing by both Parties (“Final Plans”).

7. Additional Easement Conditions. In addition to the other terms and conditions set forth in this Agreement, the Temporary Construction Easement and Access and Maintenance Easement, together with any ancillary rights given to Village under this Agreement, shall be subject to the following conditions:

(a) Park District reserves the right of access to and use of the Easement Premises in any manner not inconsistent with the rights granted to Village under this Agreement, including but not limited to the right to install landscaping, gardens, shrubs, driveways, sidewalks, parking lots, and ingress and egress roadways on the Easement Premises that do not then or later conflict with the Planned Improvements or the easement rights granted hereunder.

(b) Village shall notify Park District at least ten (10) days prior to commencement of any excavation, construction, repair, maintenance, staging, site preparation, or other work or activity on the Easement Premises, weather permitting. The Parties shall reasonably cooperate with respect to the commencement, timing, and location of such work or activity so as to protect the public at large and to avoid any interference with Park District’s use of the Park Property or the Easement Premises. Village shall also provide Park District with a copy of the construction schedule for the Planned Improvements as the same may be revised from time to time and otherwise give Park District reasonable advance notice of any planned activities on the Easement Premises that may affect Park District's conduct of its normal activities and use of the Park Property.

(c) All construction or other work or activity performed by any entity within the Easement Premises shall be performed in a safe and sound manner and in accordance with all applicable federal, state and local laws, including the ordinances and regulations of the Village of Arlington Heights and Arlington Heights Park District and conducted in a manner so as to avoid damage to the Park Property.

(d) The Temporary Construction Easement and Access and Maintenance Easement shall be used and enjoyed solely by Village and its duly authorized agents, representatives, employees, contractors, subcontractors, material suppliers, successors or assigns, and Village shall not assign its easement rights in whole or in part to any other person or entity.

(f) The Park Property, including the Easement Premises, shall at all times be kept free of accumulations of debris, waste and garbage resulting from the Planned Improvements.

(e) No equipment, machinery or materials shall be brought or permitted to come onto or remain on any portion of the Park Property other than the Temporary Construction Easement Premises, and then subject to such reasonable restrictions, if any, as shall be specified by Park District.

(g) Park District shall have the right at any time to:

(i) impose weight and load restrictions on the Easement Premises which Park District reasonably determines are necessary or advisable under the circumstances, but which will not unreasonably restrict construction traffic necessary for planned improvements; and

(ii) suspend the Temporary Construction Easement or the Access and Maintenance Easement immediately for safety or health reasons or upon fourteen (14) days' notice for breach by Village of any of its obligations under this Agreement, until the reasons for the suspension have been rectified to Park District's reasonable satisfaction and without waiving Park District's right to terminate the Temporary Construction Easement or the Access and Maintenance Easement as provided in paragraph 14, below.

(h) Park District shall have the right to enter upon the Easement Premises at any time(s) to inspect, maintain or repair the Park Property including the Easement Premises and improvements thereon, to determine Village's compliance with the terms and conditions of this Agreement, and for any other lawful purpose(s). Park District's reservation of such rights or its failure to exercise same shall not impose or create any responsibility or liability on Park District or affect, reduce or nullify in any way Village's obligations under this Agreement. Village shall cooperate with Park District's reasonable requests to inspect the Easement Premises. Notwithstanding anything to the contrary herein, both Parties understand and acknowledge that the Village shall be solely responsible for maintenance and repair of the Planned Improvements.

8. Hazardous Materials. No explosives or flammable or hazard materials of any kind shall be transported across, brought upon, or stored or deposited on, the Park Property (except as needed for vehicles or equipment for the Planned Improvements provided that Village and its contractors shall be liable for any damage to or contamination of Park Property resulting from such activity or use). As used in this Agreement, "Hazardous Materials" means any hazardous or toxic substances, materials or wastes, including, but not limited to solid, semi-solid, liquid or gaseous substances which are toxic, ignitable, corrosive, carcinogenic or otherwise dangerous to human, plant or animal health or well-being and those substances, materials, and wastes listed in the United States Department of Transportation Table (49 CFR 972.101) or by the Environmental Protection Agency as hazardous substances (40 CFR Part 302) and amendments thereto or such substances, materials, and wastes regulated under any applicable local, state or federal law including, without

limitation, any material, waste or substance which is (I) petroleum, (ii) asbestos, (iii) polychlorinated biphenyls, (iv) designated as "hazardous substances" pursuant to Section 1251 et. seq. (33 U.S.C. Section 1321) or listed pursuant to Section 1004 of the Resource Conservation and Recovery Act, 42 U.S.C. Section 6901 et. seq. (42 U.S.C. Section 6903), or (vi) defined as a "hazardous substance" pursuant to Section 101 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. Section 9601 et. seq. (42 U.S.C. Section 9601) or any other applicable environmental law.

9. Restoration Obligations. Upon termination of the Temporary Construction Easement by expiration or otherwise, or upon completion of any work contemplated by this Agreement and performed pursuant to the Access and Maintenance Easement granted pursuant to paragraph 4, Village at its sole cost and expense shall restore the Easement Premises, and any other affected portion(s) of Park Property, to the same or better condition as existed immediately prior to the commencement of any activity thereon by Village and replace all lost or destroyed items. All restoration, repair and replacement shall be completed to the reasonable satisfaction of Park District within thirty (30) days after the termination of the Temporary Construction Easement or upon completion of any work contemplated by this Agreement and performed pursuant to the Access and Maintenance Easement granted pursuant to paragraph 4, or if due to weather conditions or other circumstances which in Park District's opinion would make any such restoration, repair and replacement inadvisable, then within such later time period as Park District reasonably shall request.

10. Village shall conduct its operations on the Park Property entirely at its own risk. To the fullest extent permitted by the laws of the State of Illinois, Village hereby forever waives, relinquishes and discharges and holds harmless Park District, its elected and appointed officials, officers, employees, agents, and volunteers from any and all claims of every nature whatsoever, which Village may have at any time against Park District, its elected and appointed officials, officers, employees, agents, and/or volunteers, including without limitation claims for personal injury or property damage sustained or incurred by Village or any person claiming by, through or under Village, relating directly or indirectly to the Planned Improvements, the construction of the Planned Improvements or the exercise of the rights and privileges granted hereunder, except to the extent such claims are caused in whole or in part by the wrongful or intentional acts or omissions of the Park District, or its elected and appointed officials, officers, employees, agents, .

11. Village shall defend, indemnify and hold harmless Park District, its elected and appointed officials, officers, employees, agents, and volunteers against and from any and all liabilities, claims, losses, costs, damages and expenses of every nature whatsoever, including without limitation reasonable attorneys' and paralegal fees, suffered, incurred or sustained by any such indemnified persons, including without limitation liabilities for the death of or injury to any person or the loss, destruction or theft of or damage to any property, relating directly or indirectly to, or arising directly or indirectly from, the exercise by Village, its employees, agents, or contractors, or any other person acting on its or their behalf, or with its or their authority or permission, of the rights and privileges granted Village under this Agreement. Village shall defend, indemnify and hold harmless Park District against and from any and all claims, losses, costs, damages and expenses, including without limitation reasonable attorneys' and paralegal fees,

suffered, sustained or incurred by Park District as a result of Village's breach of any provision of this Agreement or otherwise incurred by Park District in enforcing the terms of this Agreement.

12. Insurance.

(a) Village shall keep in full force and effect at all times during this Agreement commercial general liability insurance, including contractual liability coverage, Workers' Compensation insurance, and such other types of insurance in such amounts and with such companies or self-insurance pools as are reasonably acceptable to Park District, but, in any event, not less than the coverages and amounts set forth in Exhibit D. The minimum insurance coverage specified in this Paragraph 12 may be provided by self-insurance, participation in a risk management pool, commercial policies of insurance, or a combination thereof. Village shall name the Park District, its elected and appointed officials, officers, employees, agents, and volunteers as an additional insured on any such insurance, and shall provide Park District with a copy of a Certificate of Insurance and Additional Insured Endorsement evidencing same prior to commencing any work or activity on the Park Property, and said insurance shall not be modified, terminated, canceled or not renewed without at least thirty (30) days advanced written notice to the Park District.

(b) In addition to, and in furtherance and not in limitation of, Village's insurance obligations set forth above, and at no cost to Park District, Village shall require any contractor(s) or subcontractor(s) performing any of the work contemplated by this Agreement to obtain and keep in full force and effect for so long as any claim relating to the Planned Improvements legally may be asserted, comprehensive general liability and property damage insurance written to include the coverages and for not less than the minimum limits, or greater if required by law, as provided in Exhibit D attached hereto and incorporated herein by reference, and to otherwise comply with all other requirements set forth therein. Village shall similarly require any contractor(s) or subcontractor(s) performing any of the work contemplated by this Agreement to defend, indemnify and hold harmless Park District in accordance with and as more fully set forth in Subsection D of Exhibit D attached hereto.

13. Village shall not cause or suffer or permit to be created any mechanics' or materialmen's liens or claims against the Park Property. Village shall defend, indemnify and hold harmless Park District from and against any such claims or liens.

14. The Temporary Construction Easement and the Access and Maintenance Easement granted to Village hereunder may be terminated as follows:

(a) immediately upon written notice to Village in the event Village or its contractors(s) shall fail to procure or maintain the insurance required, or shall fail to provide evidence of such insurance coverage as required, under paragraph 12, above.

- (b) immediately upon Village's failure to remedy or obtain remedy by its contractor(s) of any breach of any term or condition of this Agreement (other than paragraph 12 regarding insurance) within five (5) days after written notice of such breach is delivered to Village, unless the breach cannot be cured within 5 days, and the Village has commenced the cure and diligently pursues its completion; or
- (c) immediately upon abandonment of the Planned Improvements by Village or its contractor(s). For the purposes of this subparagraph, abandonment shall be deemed to have occurred in the event no activity is conducted on the Planned Improvements for a period of sixty (60) consecutive days once the work has commenced, save for force majeure or casualty; provided, however, that the Village will not be deemed to have abandoned the Planned Improvements after they are complete.

15. No waiver of any rights which Park District has in the event of any default or breach by Village under this Agreement shall be implied from failure by Park District to take any action on account of such breach or default, and no express waiver shall affect any breach or default other than the breach or default specified in the express waiver and then only for the time and to the extent therein stated.

16. Nothing contained in this Agreement shall be construed or deemed to diminish or constitute a waiver or relinquishment of the rights, privileges, defenses and immunities available or afforded to either Party under the Illinois Local Governmental and Governmental Employee's Tort Immunity Act or under other State statutes affording similar protections.

17. There are no third party beneficiaries to this Agreement, intended or otherwise, and no claim as a third party beneficiary under this Agreement may or shall be made, or be valid against, either Party.

18. All notices provided for herein shall be served upon the Parties by personal delivery, email, fax or Certified United States mail, return receipt requested, at the following locations, or at such other location or locations as the Parties may from time to time designate in writing:

Notice to Park District:

Executive Director  
 Arlington Heights Park District  
 410 North Arlington Heights Road  
 Arlington Heights, IL 60004

Notice to Village:

Village Manager  
 Village of Arlington Heights  
 33 South Arlington Heights Road  
 Arlington Heights, IL 60005

Notices shall be deemed given when received by the Party to whom it was sent.

19. This Agreement contains the entire agreement between the Parties with respect to the use of the Park Property by Village in connection with the Planned Improvements and cannot be modified except in a writing, dated subsequent to the date hereof and signed by both Parties.

20. This Agreement may be executed in counterparts, each of which shall be an original, but all of which taken together shall constitute one and the same instrument. In the event any signature is delivered by facsimile or by email delivery of a scanned PDF file, such signature shall create a valid and binding obligation of the Party with the same force and effect as if the facsimile or scanned PDF page were an original thereof.

21. Nothing in this Agreement shall be deemed to create any joint venture or partnership between the Parties. Neither Park District nor Village shall have the power to bind or obligate the other except as to the extent expressly set forth in this Agreement.

22. This Agreement shall be governed and construed in accordance with the laws of the State of Illinois.

IN WITNESS WHEREOF, each Party has caused this Agreement to be executed by a duly authorized officer thereof, as of the year and date first above written.

## **EXHIBIT D INSURANCE REQUIREMENTS**

### **A. Commercial General and Umbrella Liability Insurance**

Contractor shall maintain commercial general liability (CGL) and, if necessary, commercial umbrella insurance with a limit of not less than \$3,000,000 each occurrence. The coverage amounts set forth may be met by a combination of underlying and umbrella policies so long as in combination the limits equal or exceed those stated.

CGL insurance shall be written on Insurance Services Office (ISO) occurrence form CG 00 01 10 93, or a substitute form providing equivalent coverage, and shall cover liability arising from premises, operations, independent contractors, products-completed operations, personal injury and advertising injury, and liability assumed under an insured contract (including the tort liability of another assumed in a business contract).

Park District, and its elected and appointed officials, officers, employees, agents, and volunteers shall be included as an insured under the CGL, using ISO additional insured endorsement CG 20 10 or a substitute providing equivalent coverage, and under the commercial umbrella, if any. This insurance shall apply as primary insurance with respect to any other insurance or self-insurance afforded to Park District. Any insurance or self-insurance maintained by Park District shall be excess of the Contractor's insurance and shall not contribute with it.

There shall be no endorsement or modification of the CGL limiting the scope of coverage for liability arising from explosion, collapse, or underground property damage.

### **B. Workers Compensation Insurance**

Contractor shall maintain workers compensation as required by statute and employers liability insurance. The commercial umbrella and/or employers liability limits shall not be less than \$1,000,000 each accident for bodily injury by accident or \$1,000,000 each employee for bodily injury by disease.

### **C. General Insurance Provisions**

#### **1. Evidence of Insurance**

Prior to beginning work, Contractor shall furnish Park District with a certificate(s) of insurance and applicable policy endorsement(s), executed by a duly authorized representative of each insurer, showing compliance with the insurance requirements set forth above.

Failure of Park District to demand such certificate, endorsement or other evidence of full compliance with these insurance requirements or failure of Park District to identify a deficiency from evidence that is provided shall not be construed as a waiver of Contractor's obligation to maintain such insurance.

Park District shall have the right, but not the obligation, of prohibiting Contractor or any of Contractor's employees, agents, contractors, or subcontractors from entering the Park Property or the Easement Premises until such certificates or other evidence that insurance has been placed in complete compliance with these requirements is received and approved by Park District.

## **2. Acceptability of Insurers**

For insurance companies which obtain a rating from A.M. Best, that rating should be no less than A- VII using the most recent edition of the A.M. Best's Key Rating Guide. If the Best's rating is less than A- VII or a Best's rating is not obtained, the Park District has the right to reject insurance written by an insurer it deems unacceptable.

## **3. Cross-Liability Coverage**

If Contractor's liability policies do not contain the standard ISO separation of insured's provision, or a substantially similar clause, they shall be endorsed to provide cross-liability coverage.

Contractor hereby represents to and covenants with the Park District that Contractor has and shall maintain (and encumber as necessary) adequate financial resources to cover and protect the Park District and its elected or appointed officials, officers, employees, agents, and volunteers with respect to any claim arising out of the activities to be conducted by or on behalf of Contractor on the Park Property that falls within a deductible or self-insured risk and is thereby not covered by insurance required to be provided under this Agreement.

## **4. Subcontractors**

Contractor shall cause each contractor or subcontractor employed by Contractor to purchase and maintain insurance of the type specified above. When requested by the Park District, Contractor shall furnish copies of certificates of insurance and applicable policy endorsement evidencing coverage for each subcontractor.

## **D. Indemnification**

To the fullest extent permitted by law, the Contractor shall indemnify and hold harmless the Park District and its officers, officials, employees, volunteers and agents from and against all claims, damages, losses and expenses including but not limited to legal fees (attorney's and paralegals' fees and court costs), arising out of or resulting from the performance of the Contractor's work, provided that any such claim, damage, loss or expense (i) is attributable to bodily injury, sickness, disease or death, or injury to or destruction of tangible property, other than the work itself, including the loss of use resulting therefrom and (ii) is caused in whole or in part by any wrongful or negligent act or omission of the Contractor, any Subcontractor, anyone directly or indirectly employed by any of them or anyone for whose acts any of them may be liable. Such obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this Paragraph. Contractor shall similarly protect, indemnify and hold and save harmless the Park District and its officers, officials, employees, volunteers and agents against and from any and all claims, costs,

causes, actions and expenses including but not limited to legal fees, incurred by reason of Contractor's breach of any of its obligations under, or Contractor's default of, any provision of this Agreement or its contract with the Village.
