Re: Patton Elementary School Expansion Neighborhood Meeting November 1st, 2022

Sam,

On November 1st, 2022 at 6:00 pm, we hosted the required neighborhood meeting for property owners within 250' of the subject property to give a brief overview of the project scope and answer any questions they may have. The meeting was held in the commons at Patton Elementary School. No neighborhood members attended the meeting. I have included a copy of the presentation that was prepared for the neighborhood.

- **No Neighborhood participants attended the meeting**

AHSD25 Meeting Attendees: Dr. Lori Bein, Superintendent, Ryan Schulz, Director of Facilities Management.

Sincerely,

Ryan Schulz

Patton Expansion

Why Now?

- **Full Day Kindergarten Program**
 - *Need additional classrooms since currently (1) single classroom can be shared between AM section and PM section.*
- **Increase in Enrollment**
 - *Anticipated Kindergarten enrollment bump due to transition to full day model.*
 - *Slight General Enrollment Increase.*
- **Expansion Allows Flexibility For School to Provide Educational Services**

Proposed addition will support future enrollment, full day K, provide and allow the building flexibility in their programming and support services.

Patton Anticipated Enrollment

*24-25 First Year of Full Day K

Half Day K Model

Full Day K Model

Anticipated Kindergarten Enrollment Bump

- Kindergarten enrollment is currently lower than first grade enrollment due to the current ½ day kindergarten model
- Parents currently choose other Kindergarten options to provide full day learning opportunities.
- Kindergarten enrollment is expected to be more aligned with first grade enrollment once Full Day K is implemented as parents choose to send their child to their neighborhood school.
