**Ambulance Quote/Bid: 2025 Braun Chief XL Ambulance**

Thank you for allowing North Central Emergency Vehicles and Braun Ambulances the opportunity to submit this quote on your next ambulance purchase.

Braun has been building ambulances for over 45 years under the same family name and with the same family values and mission. Braun's "Solid Body" all aluminum construction is unique to the industry. While most ambulance manufacturers use extrusions, Braun is one module integrated together and fully welded. This provides one of the safest, best tested, ambulances in the industry.
