

CHICAGO ADAPTIVE SPORTS

Push. Play. Persist.

March 18, 2024

To: Susan Miller,

The purpose of this letter is to request that all fees and bond requirements be waived for the Raffle License which includes 50/50 raffle and silent auction.

On April 13th, 2024, Seth Goldberg, a resident of Arlington Heights and Ryan Bowers, a resident of Buffalo Grove will be Co-Chairs of an event to benefit Chicago Adaptive Sports NFP. The event will be a professional wrestling program by MWA Professional Wrestling. All proceeds will support Chicago Adaptive Sports.

Chicago Adaptive Sports is a registered Illinois Not for Profit which supports adaptive sports, the athletes, and their communities in the Chicagoland area. One hundred percent of all funds raised by Chicago Adaptive Sports funds the athletes. Chicago Adaptive Sports focus is on providing the necessary resources so athletes can participate in competitive sports such as wheelchair basketball wheelchair softball and goalball. Chicago Adaptive Sports provides registration and membership fees for national sports organizations, Chicago Park District registration fees, and supports travel expenses for athletes competing in national or international sport competitions.

Mr. Goldberg and Mr. Bowers, as co-chairs for this event, have worked to make this event a fun and successful evening for all. Waiving the Raffle License fees, and bond requirements would provide more resources to be directed to the athletes supported by Chicago Adaptive Sports. This would include a silent auction and 50/50 raffles.
