Re: Request for Waiver of Fees - Arlington Lakes Golf Course Improvements

## Mr. Recklaus:

The Village of Arlington Heights Building Department is currently reviewing the application for permit for the 2015 Arlington Lakes Golf Course Improvement Project for the Arlington Heights Park District. The project is scheduled to begin on June 8, 2015, and will be the first major renovation of the golf course since opening in 1979. The project will include the elimination and improvements to sand bunkers, leveling and rebuilding of all tee complexes, adding new Junior tees, adding continuous cart paths throughout course, reshaping of 9 greens and rerouting the course for better use, improved accessibility and aesthetics.

Following prior practice, the Arlington Heights Park District respectfully requests the waiver of all applicable Village of Arlington Heights Planning and Building Permit fees and/or all applicable Village review fees. The Park Board of Commissioners and staff appreciate your assistance on this matter.

If you need any additional information, please feel free to contact me at (847)506-7145. Thank you again for your continued cooperation and support.

Sincerely,

Alann Petersen, CPRP

Director of Parks & Planning
