Dear Valerie,

Elk Grove Township has contracted with two (2) companies to perform sanitary sewer and manhole rehabilitation of some Township sewers located within the Village of Arlington Heights. It is my understanding that the Village of Arlington Heights is requesting that a Bond in the amount of \$2,000 be posted for the Contractor to be able to move forward with this project.

The Contractor has already provided a Performance Bond to the Township. Elk Grove Township is requesting that the Village of Arlington Heights waive all permit fee and bonds associated with sanitary sewer and manhole rehabilitation within the Village.

Thank you and we appreciate your consideration.

Township Administrator
