Re: Petition for the Expansion of the Metropolis Ballroom, (the "Ballroom"), by
its owner, Metropolis Ballroom of Arlington Heights, LLC, 6 S. Vail Street,
Arlington Heights, IL

Dear Mr. Perkins,

As you know, I have represented Metropolis Ballroom of Arlington Heights, LLC nearly since its inception in 2008. This communication is sent at the request of my client, and its principal, Mr. Thomas Manetti for an early review by the Arlington Heights Village Board of certain expansion plans to its facility located at the above address.

As you know, the plan is to expand the ballroom according to the plans we have provided you and your staff. If you recall, the request for early review is pursuant to your bequest. My client is under a rather tight timeframe, so we ask that this early review be scheduled for the Committee of the Whole meeting in October.

For you information, Mr. Manetti will be represented by another attorney during the entire process. While I will continue working with Mr. Manetti and his business, all meetings and communications with the village will be handled by co-counsel hired by Mr. Manetti for that specific purpose. Feel free to contact me regarding the early review date for scheduling purposes only.

Sincerely,
Farwell, Farwell & Associates, PC
