Re: Raffle License Application

Included with this letter you will find a Raffle License Application for the Village of Arlington Heights. The applicant is ABC/25 Foundation, a non-profit organization that will use proceeds from in-school drawings to fund education program grants. The proceeds will also be shared with the Arlington Heights Council of PTAs that will use their share of the proceeds to fund District 25 student scholarships.

A total of nine in-school drawings will be conducted across all District 25 schools. In-school drawing tickets will be available for 4-6 continuous weeks in the winter or spring (exact duration and dates vary by school). *starting Dec 2016*

Cash values for prizes are less than \$50. We request that the bond requirement be waived for all events.
