("Act") and

WHEREAS, the Act requires that all Illinois governmental entities, including home rule units of local government, either accept the prevailing wages determined by the Illinois Department of Labor or investigate and ascertain the prevailing rate of wages as defined in the Act for workers employed to perform work on public works construction projects in the locality in which the work is performed,

NOW, THEREFORE, BE IT RESOLVED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ARLINGTON HEIGHTS:

SECTION ONE: To the extent required by the Act, the general prevailing rate of wages in this locality for laborers, mechanics and other workers engaged in construction of public works coming under the jurisdiction of the Village is hereby ascertained to be, except as provided in Section Two herein, the same as the prevailing rate of wages for construction work in the Cook County area as determined by the Department of Labor of the State of Illinois as of June, 2017, a copy of that determination being attached hereto and incorporated herein by reference. As required by the Act, any and all revisions of the prevailing rate of wages by the Department of Labor of the State of Illinois shall supersede the Department's June determination and apply to any and all public works construction undertaken by the Village. Landscape construction work is covered by the prevailing wage schedule promulgated by the Illinois Department of Labor, attached to this Resolution. Landscaping work of all types performed by Village employees is excluded from coverage.

SECTION FOUR: Nothing contained in this Resolution shall be construed to apply the general prevailing rate of wages to any work or employment except public works construction of the Village to the extent required by the Act.

SECTION FIVE: The Village Clerk shall publicly post or keep available for inspection, by any interested party in the main office of the Village, this determination or any revisions of such prevailing rate of wage. COOK COUNTY

The following list is considered as those days for which holiday rates of wages for work performed apply: New Years Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day and Veterans Day in some classifications/counties. Generally, any of these holidays which fall on a Sunday is celebrated on the following Monday. This then makes work performed on that Monday payable at the appropriate overtime rate for holiday pay. Common practice in a given local may alter certain days of celebration. If in doubt, please check with IDOL.

TRUCK DRIVERS (WEST) - That part of the county West of Barrington Road.
