Re: Raffle License Application

Included with this letter you will find a Raffle License Application for the Village of Arlington Heights. The applicant is ABC/25 Foundation, a non-profit organization that will use proceeds from in-school drawings to fund education program grants.

A total of nine in-school drawings will be conducted across all District 25 schools. In-school drawing tickets will be available for 4-6 continuous weeks in the winter or spring (exact duration and dates vary by school).

Cash values for prizes are less than \$50. We request that the bond requirement be waived for all events.

Please contact us with any questions.
Respectfully,

Angie Frye
