Dear Mr. Boyle:

This letter is a request for a waiver of the bond requirement for a 2018 raffle license for the National Ovarian Cancer Coalition, Illinois Chapter. We are holding two raffle drawings at our 21st annual 5KRun/Walk to Break the Silence on Ovarian Cancer® on May 19th at Arlington International Racecourse. Per your recommendation, both drawings are combined on this application. The first drawing will be for our annual quilt made by our volunteers. The second drawing will be held following a Stick Horse Race that afternoon. Participants will place their tickets in the bucket of their favorite "jockey." One prize will be drawn from each bucket with the top prizes being drawn from the winning "jockey's" bucket. Proceeds from the raffles and the event will help save the lives of women in our community by funding ovarian cancer research, survivor support programs, and local and national education and awareness programs.

The National Ovarian Cancer Coalition is a 501(c)(3) non-profit organization. A statement confirming our 501(c)(3) status and the 2018 Raffle License Application accompany this letter.

Thank you for your consideration.

Sincerely,

A handwritten signature in black ink that reads 'Sandra A. Cord'. The signature is written in a cursive, flowing style.
